

## Phonics Games for Key Stage 1

- Write words with missing sounds – can you child fill in the missing sounds? i.e. c – t = cat.
- When learning alternative spelling for sounds i.e. ay, ai, a-e. Write each spelling at the top of a piece of paper. Call out a variety of words containing one of the spellings (rain, stay, lake). Children to write the words into under the correct spelling.
- Write out real and alien words onto strips of paper, children to sort the words.
- Use toy cars to sound out words as you drive over them.
